Wells Fargo James Faller

Scheduling: There are no further conferences scheduled before me at this time.

Summary: The plaintiffs may file a letter-motion to amend, including a proposed amended complaint, by February 11, 2020. The defendants shall file a letter in opposition by March 10, 2020. Any party may request oral argument in its submission. In light of the anticipated motion to amend, which will resolve the substantive viability of the specific claims the plaintiff seeks to prosecute, the pending motion to dismiss the current complaint is moot.
